## **Important changes to your superannuation fund**

We are writing to you to inform you about important upcoming changes to your superannuation fund. This letter will cover:

- Name change to OneSuper,
- New website for the fund,
- Availability of BPAY® for contributions,
- Action required by you to update for bank account details necessary to make contributions to the fund, and
- Changes to pension payments.

The full detail of what's changing and what you will need to do follows below.

### **Background**

In July 2020 the trustee of your superannuation fund, Diversa Trustees Limited (the Trustee), transferred Lesf and Macmahon Super into Smartsave Members Choice Superannuation Plan ABN 43 905 581 638 RSE R1001341 (Fund/Smartsave) as a sub-plan, by way of a Successor Fund Transfer.

### **The name of the fund is changing to OneSuper**

Smartsave now includes additional members, such as Lesf and Macmahon Super members, who have transferred into the Fund during 2020 in order to create a larger and stronger fund structure. After a lot of consideration, the Trustee has decided to change the name of Smartsave to OneSuper, effective 1 December 2020 in order to be relevant to all members.

The new name resonates with who our members are and the umbrella structure of OneSuper, which allows for different types of membership while retaining the distinct features of Lesf and Macmahon Super as well as other sub-plans. Being part of OneSuper will provide our members with benefits of scale, improving member outcomes in the medium to long term.

### **How will this change affect you?**

While the Fund name has changed, our commitment to serving you won't waver. You will continue to transact with us as you always have, and the contact details remain unchanged.

Your membership in Lesf and Macmahon Super will remain the same, with no changes to the features and benefits that you currently enjoy as a member. The fee structure and investment options of Lesf and Macmahon Super will not change as a result of the name change.

You will continue to be a member of Lesf and Macmahon Super and retain the same member number and account details.

Changes you'll see from now include:

- All correspondence you receive will continue to use Lesf and Macmahon Super but the fine print will mention OneSuper as the name of Fund,
- You will be able to access information about OneSuper and Lesf and Macmahon Super at <https://onesuper.com/funds/lesf-macmahon-super/>. You can use this website to access key fund information including disclosure documents, news and updates, and commonly-used forms and factsheets. This website will replace the current Lesf and Macmahon Super website, and
- All disclosure documents and forms will be updated to include Lesf and Macmahon Super as a sub-plan of OneSuper in the fund information, but will still feature the same Lesf and Macmahon Super branding.

### You can now make contributions via BPAY®

From 15 January 2021, contributions to Lesf and Macmahon Super can be also made via BPAY®.

The BPAY® details are as follows:

<b>Biller Code:</b> 339002
<b>Biller Name:</b> Onesuper LAMS
<b>Reference:</b> Member number & Type of contributions*

\* Please log on to the Secure Online Portal, and click on the *Super/Contributions tab* and print the *contributions form* to generate the BPAY® reference. The BPAY® reference for your contribution type will be pre-populated in the reference field.

### Action required by you to update for bank account details (does not apply to members with pension and transition to retirement accounts)

There is no change to the existing banking details (BSB and Account Number) for contributions, however, there is a slight change to the Account Name to cater for the name change to OneSuper.

The bank details effective 1 December 2020 are as follows:

<b>Account Name:</b> Diversa Trustees Ltd ATF OneSuper – Application Account
<b>Account BSB:</b> 083-001
<b>Account number:</b> 88-483-8764
<b>Reference:</b> LAMS* Member number** Type#

\* Please add **LAMS** as the prefix before your member number from 1 December 2020 in the reference field.

\*\* Your existing member number.

# Contribution types can be **SG** (Superannuation Guarantee), **SS** (Salary Sacrifice) and **MV** (Member Voluntary). For example, if your member number is 520003 and you are making MV contributions, you will add LAMS520003MV as the reference.

## Pension payment changes

From January, 2021, Lesf and Macmahon Super will be changing the pension payment date from the 15<sup>th</sup> to the 25<sup>th</sup> for monthly, quarterly, half yearly and yearly account based and transition to retirement pension payments. Where the 25<sup>th</sup> does not fall on a business day, your payment will be made on the closest business day before the 25<sup>th</sup>.

You can continue to choose the amount per month and frequency of your pension payments, and you can nominate the bank account you wish to have the pension amount paid into, and choose which pooled investment option you wish the pension payment redeemed from.

You can make changes online in the *Pension tab* of your Secure Online Portal. Changes to pension payments must be made no later than close of business on the Friday before the pension payment is due to be processed. Changes continue to be subject to the minimum income limit (and maximum for a transition to retirement account) that applies to you for that year.
