Important changes to your superannuation fund

On the 30 October we issued a Significant Event Notice regarding the Successor Fund Transfer (SFT) of the MYONESUPER sub-plan from MAP Superannuation Plan ABN 71 603 157 863 to become a sub-plan of Smartsave 'Member's Choice' Superannuation Plan ABN 43 905 581 638 RSE R1001341 (Fund/Smartsave). This notice provides you with important information in respect to this transfer, including updated details for making contributions to your account which you need to be aware of.

The name of Smartsave is changing to OneSuper

The Trustee has changed the name of Smartsave 'Member's Choice' Superannuation Master Plan to OneSuper, effective 1 December 2020. The new name resonates with who our members are and the umbrella structure of the Fund which allows for different types of memberships while retaining the distinct features and identity of MYONESUPER. Being part of OneSuper will provide our members with benefits of scale, improving member outcomes in the medium to long term.

How will this change affect you?

You will continue to transact with us as you always have, and our contact details remain unchanged. If you have a financial adviser, that relationship won't change.

Changes you'll see from now include:

- All correspondence you receive will continue to use MYONESUPER but the fine print will mention OneSuper as the name of Fund,
- You will be able to access information about MYONESUPER and OneSuper at www.onesuper.com/. You can use this website to access key fund information including disclosure documents, news and updates, and commonly-used forms and factsheets, and
- All disclosure documents and forms will be updated to include OneSuper as the name of the Fund, but will still feature the same MYONESUPER branding.

Your membership

You will be issued with a new account number once the transfer has taken place. Your new account details will be effective 1 December 2020 and can be found in the email that we have sent to you on 30 November 2020.

As previously advised, you will continue to be a member of MYONESUPER and your membership will remain the same, with no changes to the features and benefits that you currently enjoy. The fee structure and investment options of MYONESUPER will also remain the same.

Blackout period

From **30 November 2020 to 13 December 2020**, there will be a 'blackout period' that will result in some limitations including:

- a pause in processing of any contributions, rollovers in and out and withdrawal requests (including any early release of super withdrawals due to COVID-19),
- requests to open new accounts will not be able to be made, including transfers from accumulation to pension accounts, and
- buying and selling of pooled investment options will be put on hold.

Further details about the limitations during the blackout period can be found in the [Significant Event Notice](#) sent to you on 30 October 2020.
